Ongoing research

- **ROBUST - Robust Crisis Governance in Turbulent Times**, Horizon Europe, PI: Jacob Torfing, University of Roskilde (Denmark). ROBUST studies responses by EU institutions and eight European countries to three recent crises (the financial, refugee and COVID-19 crises) to understand general patterns in system-level crises response, while we also conduct in-depth studies of localized COVID-19 responses ‘on the streets’ of 16 European localities to understand how EU, national and local crisis responses interact and are experienced by citizens. As leader of WP3, I will focus on how MLG can contribute to robust crisis governance.
- **Whole-COMM - Exploring the Integration of Post-2014 Migrants in Small and Medium-sized Towns and Rural Areas from a Whole of Community Perspective**, Horizon 2020 Research and Innovation Activity, total funding € 2,984,000 (duration: 3 years). Role: Project Leader of the Research Consortium. The project started in April 1st 2021 and will be based at Collegio Carlo Alberto (Turin).
- CCA Research Fellowship ‘The Multilevel Governance of Migration’, Individual annual grant (since 2012, 3,500 euros per year).

Completed research (selected from 2009)

2020

- **MIInMUS – Migration Policy in Multilevel Political Settings. City Networks in Europe and North America**, Marie Curie Fellowship, Individual Standard Fellowship. Funded by the European Union, DG Research. The project investigates why, how and with what effects City Networks voluntarily mobilise to enhance cities’ capacity to take part in complex multilevel governance processes of policymaking and promote innovative approaches to migration. It does so by examining four CNs in three multilevel political settings, i.e. the supranational EU system and federalist states of Canada and the United States. Total Grant: 184,000 (two years)

2018

- **CESEVAL – Evaluation of the Common European Asylum System under Pressure**, funded by the HORIZON2020 EU Programme. Project leader: Birgit Glorius, Chemnitz University of Technology (Germany). Role: member of the research group **WP3 ‘The MLG of Reception’** (FIERI team leader).

2016

- **ADAPT, Adapting European Health Systems to Diversity**, Cost Action IS1103, Funded by the European Union. Role: member of the research group on “The Policymaking and Multilevel Governance of Immigrants’ Health”.
- **bEUcitizen, Barriers towards European Citizenship**, funded by the EU, DG Research, VIIth Framework Programme, coordinated by the University of Utrecht and including 25 partners in different EU countries. Role: member of the research team of the University of Turin (leader: Manuela Naldini), responsible for workpackage n. 9 on ‘Balancing gender and generational citizenship’, which includes a specific focus on migrant women and second generations.

2015

- “The Multilevel Governance of Forced Migrants in Italy”, project supported by FIERI and funded by the Compagnia di San Paolo. Role: Principal Investigator. €15,000.
- “Practices and Policies around Parenthood. Work-family balance and childcare in multicultural contexts” (2012-2015), project of the University of Turin (Ateneo di Torino) funded by Compagnia di San Paolo. Member of the research group (principal investigator: Manuela Naldini).

2014
